

We're excited to introduce a **brand-new highlight** at **Danse Élite 2026**: the **Pro-Am Team Match**, taking place on **Friday, March 20, 2026**, during our Pro-Am Experience Day.

Following the success of our first edition, Danse Élite is expanding to a two-day event, and this new Team Match brings a fresh layer of excitement, connection, and team spirit to the Pro-Am category.

## What Is the Pro-Am Team Match?

The Pro-Am Team Match is a **collaborative competition format** where Pro-Am couples compete **as a team**, combining individual performances into a shared result.

- **Four teams** will take part
- Each team is made up of **four Pro-Am couples**
- Each couple represents a different dance style:
  - American Smooth
  - American Rhythm
  - International Ballroom
  - International Latin

Rather than focusing solely on individual results, each performance contributes to the team's overall score, creating a competition that is both **supportive and high-energy**.

## Why a Team Match?

Pro-Am dancing is often experienced individually.  
The Team Match introduces something different.

This format is designed to:

- Build stronger **connections across dancers and styles**
- Encourage collaboration and shared excitement

- Add a fun, spectator-friendly dynamic to the competition
- Create a memorable experience that dancers share together

The result is a competition that feels just as exciting to participate in as it is to watch.

## More Details Coming Soon

- Team formation information
- How teams will be finalized
- The official **reveal of the four teams**

If you're a Pro-Am dancer, or simply enjoy innovative and engaging competition formats, this is a feature you'll definitely want to follow.
